

Infectious Laryngotracheitis (ILT) Biosecurity Advisory Stand Down-Municipality of Clarington

October 24, 2025

The Feather Board Command Centre wishes to announce that the [advisory issued on September 16th, 2025 for the Municipality of Clarington](#) has now been lifted.

All poultry farmers, small flock growers, and poultry industry personnel should continue to remain diligent in proper [biosecurity practices](#) as HPAI remains present in the environment.

If you suspect any signs of health concerns in your flock, please contact your veterinarian and board immediately.

Visit the [FBCC website](#) for detailed information and to subscribe to FBCC Disease Alerts.
