

Infectious Laryngotracheitis (ILT) Biosecurity Advisory Stand Down – Municipality of Thames Centre

November 21, 2025

The Feather Board Command Centre wishes to announce that the heightened biosecurity notice issued on October 17, 2025, for a [10 km area in the Municipality of Thames Centre](#) has been lifted.

All poultry farmers, small flock growers, and poultry industry personnel should continue to remain diligent in proper [biosecurity practices](#) as HPAI remains present in the environment.

If you suspect any signs of health concerns in your flock, please contact your veterinarian and board immediately.

Visit the [FBCC website](#) for detailed information and to subscribe to FBCC Disease Alerts.
