

Infectious Laryngotracheitis (ILT) Biosecurity Advisory Stand Down- Town of Caledon

September 25, 2026

The Feather Board Command Centre wishes to announce that the [heightened biosecurity advisory issued on August 21, 2026 for a 10 km area in the Town of Caledon has been lifted.](#)

All poultry farmers, small flock growers, and poultry industry personnel should continue to remain diligent in proper [biosecurity practices](#) as HPAI remains present in the environment.

If you suspect any signs of health concerns in your flock, please contact your veterinarian and board immediately.

Visit the [FBCC website](#) for detailed information and to subscribe to FBCC Disease Alerts.
