

Infectious Laryngotracheitis (ILT) Biosecurity Advisory Stand Down-Town of Woolwich

February 10, 2025

On behalf of Ontario's four feather boards, the Feather Board Command Centre wishes to announce that the heightened biosecurity advisory issued in [a 10 km area of the Town of Woolwich](#) has now been stood down.

All poultry farmers, small flock growers, and poultry industry personnel throughout the province should rigorously adhere to [Heightened Biosecurity Practices \(orange cards\)](#) as Highly Pathogenic Avian Influenza (HPAI) recovery efforts continue.

If you suspect any signs of health concerns in your flock, please contact your veterinarian and board immediately.

Visit the [FBCC website](#) for detailed information and to subscribe to FBCC Disease Alerts.
